

# **NATIONAL BAPTIST PUBLISHING BOARD**

## **THE HOUSE OF EFFICIENCY**

Birds-eye view the great Baptist Plant

The largest Business of its kind owned, operated and controlled by Negroes in the world

After 22 years of continuous service the plant is employing 125 people with dependents to the number of 500

Dr. R. H. Boyd, Secretary.  
Founder and General Manager

---

The National Baptist Publishing House was the only Negro Institution in the world that raised wages in competition with other large manufacturers, during the war. It was therefore able to keep running at its full capacity. : : :

The Baptists throughout the United States are asked to order their first quarter's literature now.

The gift season is now on, all wishing something nice for their friends and relatives can get anything in the line of song books, Bibles and Anthems, or any other book published, by calling or writing to
